One rule change was passed out of six proposed.

The Registrar is now a required Board member.

A modified $\frac{3}{4}$ Rule will be in use for one year, a vote will determine if it becomes a National Rule.

The modified rule states that no player is allowed to play a fourth quarter until all have played three quarters.

Old Business:

Donnie reports that the number of volunteers during registrations was very good.

Richard C. had a lot of youth referees volunteer.

Expect an email testing of the D 4 site.

Jeff had good turn out/sign ups at the volunteer table. He will create a data base of coaches to build teams.

Division coordinators will receive a spreadsheet emailing from Jeff within one month.

We now have three U6 – U12 Coach Instructors: Keith A., Jeff P., and Russell G.

Safe Haven is available to coaches online, however attendance at the scheduled class (8/24) is preferred.

There is one U12 training this year on 9/2/06 at Kermit King from 9 – 3

Field Maintenance Day is 8/5/06

Coach Binders need updating

There will be no reprieve for teams failing to provide Refs during season play.

No EOY Tournament for teams who have not met the Ref requirements. The required number of games per team is to be determined.

Donnie will investigate the D 4 system for Ref requirement guidelines and report back with findings.

Youth Ref training will be held at Sherwood and Pifer with four slots per weekend. We need volunteers as a Referee or Board member must be present at all times to monitor.
